

GONDWANA RESEARCH GROUP MEMOIRS

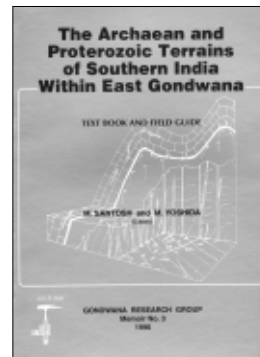

Granulites of India Sri Lanka and Antarctica

M. Yoshida and M. Santosh
x + 357 p.

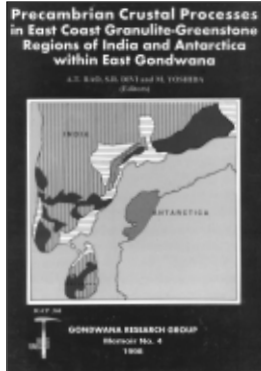

India As a Fragment of East Gondwana

M. Yoshida, M. Santosh and A.T. Rao
x + 242 p.

The Archaean and Proterozoic Terrains of Southern India Within East Gondwana

Text Book and Field Guide
M. Santosh and M. Yoshida
x + 403 p.

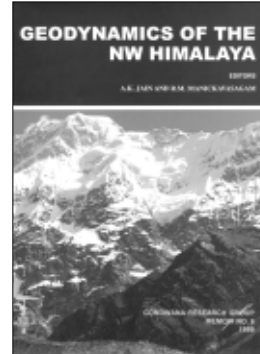

Precambrian Crustal Processes in East Coast Granulite-Greenstone Regions of India and Antarctica within East Gondwana

A.T. Rao, S.R. Divi and M. Yoshida
x + 198 p.

Eastern Ghats Granulites

A.T. Rao, V. Divakara Rao and M. Yoshida
x + 172 p.

Geodynamics of the NW Himalaya

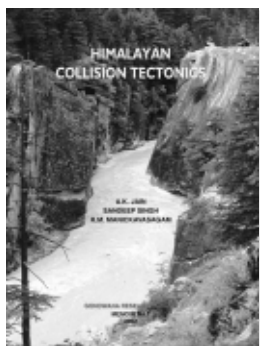

A.K. Jain and R.M. Manickavasagam
x + 377 p.

For orders, contact:

Gondwana Research Group

St. Joseph's Press, PB No. 415, Cotton Hill, Trivandrum-695 014, Kerala, India.

Tel: (+91) 471 2322888, 2338595, Fax: (+91) 471 2329934, E-mail: sjptvm@satyam.net.in

Himalayan Collision Tectonics

A.K. Jain, Sandeep Singh and R.M. Manickavasagam
x+114 p.

For orders, contact:

India - Dr. Sandeep Singh, Assistant Professor, Department of Earth Sciences,
Indian Institute of Technology Roorkee, Roorkee - 247 667, India,
Phone: +91-1332-85559; Fax: (+91) 1332-73560, E-mail: sandpfes@iitr.ernet.in

Other countries - Gondwana Institute for Geology and Environment, 147-2 Hashiramoto,
Hashimoto-shi 648-0091, Japan,
Fax: (+81) 736-36-7790, E-mail: gondwana@orion.ocn.ne.jp
